

ZODIACO

Zodiaco is a compact, square-shaped outdoor ceiling luminaire encased in durable aluminum. Its sleek design seamlessly integrates into modern outdoor spaces. Delivering high lighting efficiency and precise luminance control, Zodiaco eliminates shadows, creating a perfect outdoor atmosphere. Available in two sizes with adjustable beam patterns – spot, flood, and wide flood – this luminaire offers versatile lighting solutions. With its IP67 and IK10 ratings, Zodiaco ensures long-lasting performance in any outdoor environment.
